

*Erostratus.*

He ~~rea~~ may not be intelligent, but he  
must be intellectual.

Art is the intellectualization of  
sensation /((feeling)\ through expression. The  
intellectualization is given in, by and  
through the expression itself. That is why  
great artists - even great artists in  
literature, which is the most intellectual  
of the arts - are so often unintelligent  
persons.
