(1) The suggestion element. To give an idea of what I feel, I strive not to explain, but to suggest. |Mallarmé| is the really great original poet of modern times. The method is not intellectual. It (2) is the feeling it suggests that, because it is feeling, is not intellectual.

(2) the philosophy of mood is given instead of the depth of that mood quâ mood.

(3) The analytic method. (Chuva obliqua).
