*A Temple.*

I have built my temple - wall and face -  
Outside the idea of space,  
Complex - built as a full-rigged ship;  
I made its walls of my fears,  
Its turrets many of weird thoughts and tears -  
And that strange temple thus unfurled  
Like a death's-head flag, that like a whip  
Stinging around my soul is curled,  
Is far more real than the world.
