Transcrição

The Giant's Reply.

I met a giant upon my way;
He looked more wise than Nature.
"Tell me some truth," thus my tongue did betray
My soul to that more than creature.
- "There is but one," in an old voice strange
He cried: "things are more, I say,
Than Time in which they seem to change
And than Space that seems more than they."

Alexander Search.

January 7th. 1908.
