Winter Day?

But one who in communion ever lived  
With us, and with us did seem to move  
With whom we made but one in our deep love  
To cease, and pass from us and go!  
No more can be in human woe!  
Oh, Death, what hidest thou from human eyes?  
What is thy unknown ~~and thy proper~~ name that in it lies?  
~~Oh the great traveller incognit name~~  
Of deep significance as to thy nature?

Thy victims do not know  
Thy sure-terrible feature

Thou comest ~~as many~~ in many guises disease, ~~to~~ woe  
Yet thou *in this* no one yet could know

Oh thou great traveller incognito!
