~~We have now arrived at the Abnormal part of imaginative work – this is the region of the weird the terrible the fantastic. Before we proceed with our investigation, it may not be useless to ask the definition of “abnormal.”~~

_____

And the whole country {…}

Bells that toll.
Universal hell.

_____

There is here the horror of expectation – as if aught is about to happen.
There is thunder there though neither lightning nor rumble – because there is neither sight nor sound.

(sound of thunder)
